

SEL COURT PRIMARY SCHOOL

15th June 2017

Dear Grade 2 Parents/Guardians

As from Term 3 the Grade 1 learners will be taught Isi-Zulu as a Second Additional Language. This is in accordance with Departmental Policy with regards to IIAL – Incremental Introduction to an African Language. It will be phased into Grade 2 in 2018 and Grade 3 in 2019.

It will not be used for Progression/Promotion purposes but merely to assist with communicating in another language.

To accommodate Isi-Zulu in the curriculum it is necessary to lengthen the school day. We felt for logistical purposes (both in and out of school) and for Grade 2 learners to get used to a slightly longer school day, that both Grade 1 and Grade 2 learners will be in class until 13:20 Monday to Friday. This will be effective from Term 3, 2017.

Please communicate these changes to transport, after-care etc. and any interested parties.

We thank you for your co-operation in this regard.
