

# SEL COURT PRIMARY SCHOOL

14<sup>th</sup> June 2017

Dear Grade 1 Parents

The Department of Education is introducing Incremental Introduction of African Languages at the beginning of Term 3.

This means that our Grade 1 learners will be learning Isi-Zulu from next term. Even though the subject will not be used for progression purposes, it will be taught to allow our learners the opportunity to gain the basic skills and knowledge of this language.

It would mean that the Grade 1's will now only finish their day at 13:20, allowing them extra time to benefit from the extra subject.

Please would you make the necessary arrangements regarding transport etc. We are sorry for the inconvenience but we are complying with GDE policy.

We thank you for your co-operation in this regard.
